

Activate your ANZ bank feed ONLINE – SISS Data Services

If you are an ANZ business customer and have ANZ Internet Banking (business profile) or ANZ Internet Banking for Business, you have the ability to register online for ANZ bank feeds if your software package provider uses SISS Data Services to empower their data feed service.

*Please note, if you are using ANZ Internet Banking and do not see the 'Activate bank feeds' link, you may not be set up on a business profile. Please call ANZ Internet Banking on 13 33 50, 24 hrs 7 days a week, to find out about switching to a business (SBE) profile.

To activate your bank feeds:

- Log in to ANZ Internet Banking (business profile) or ANZ Internet Banking for Business
- On the home page there are three buttons under your accounts table, the middle one is **"Activate bank feeds"**

Alternatively you can:

- Go to the '**Profile**' tab and under the heading '**Settings**' you will find '**Activate bank feeds**'
- Select the "**Activate bank feeds**" link and follow the appropriate steps below:

Before Activating Bank Feeds

You or your accountant/adviser will need to have a registered account via their preferred software package before registering for bank feeds.

Activate bank feeds to SISS Data Services

The **Practice ID** used by your software package provider is: _____

1. Select "**SISS**" from the dropdown
2. Enter your "**Practice ID**"
3. Select "**Authority to Disclose Information**" and read the terms and conditions
4. Check the terms and conditions box if you accept the terms and conditions
5. Using the checkboxes under the "**Select**" column, select the accounts for which you'd like to activate bank feeds
6. If you are happy with the Practice ID entered and the accounts selected, select "**Send request**"
7. If you'd prefer not to proceed, select "**Cancel**"
8. A message will display acknowledging the request

After Activating Bank Feeds

- Bank feeds will be provided to your nominated accounting software in approximately 3-4 business days
- If you wish to cancel a bank feed please contact your accounting software provider
- Once the bank feeds are successfully activated, your transaction data will be sent to your nominated accounting software provider for your registered ANZ accounts

If you wish to request your data feed authority via paper form, please email SISS Data Services, quoting the complete accounts details and your Practice ID on customerservice@sis.com.au
